

DECLARATION AND POWER OF ATTORNEY

STEPHEN J. BOTOS and ROBERT T. NOVOTNAK, declare:

We are citizens of the United States of America and residents of Allegheny County, Pennsylvania, and West Moreland County, Pennsylvania, whose mailing addresses are 597 Dorseyville Road, Pittsburgh, Pennsylvania 15238 and 11506 McKee Road, North Huntingdon, Pennsylvania 15642, respectively.

We believe ourselves to be the original, first and joint inventors of the improvement entitled "PRINTED CIRCUIT LINEAR MOTOR" which is described and claimed in the attached specification.

We have received and understand the contents of the specification, including the claims.

We do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention or more than one year prior to this application; or in public use or on sale in the United States more than one year prior to this application.

Said invention has not been patented or been made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to this application.

We acknowledge our duty to disclose information of which we are aware which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

No application for patent or inventor's certificate thereon has been filed by us or our legal representatives or assigns in any country foreign to the United States.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint Frederick B. Ziesenheim, Registration No. 19,438; William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Richard L. Byrne, Registration No. 28,498; Kent E. Baldauf, Registration No. 25,826; Barbara E. Johnson, Registration No. 31,198; Paul M.
